

## BHP623E13X 600mm telescopic cooker hood

### Design:

- Stainless steel finishing
- Fingertouch free inox
- Mechanic control

### Features:

- 3 speed levels
- Exhaust and re-circulate air operation

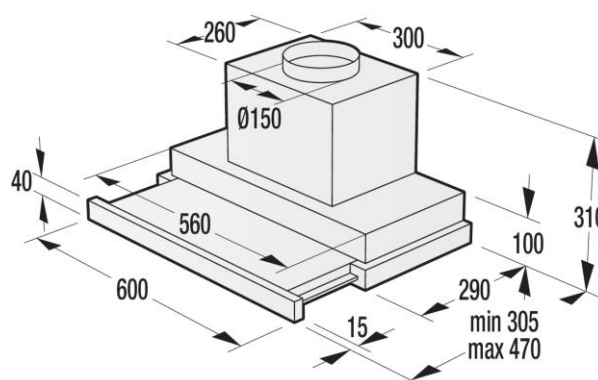

### Technical information:

- Energy class: C
- EU Fluid dynamic efficiency class: B
- EU Lighting efficiency class: A
- Max. airflow: 639m<sup>3</sup>/hr (EN standard)
- 2 x 3W LED diode
- 2 x Aluminium grease filter with polyurethane foam
- 120/150mm tube connection
- Total connected load : 246W (13A)

### Appliance dimensions:

- 310H x 600W x .305-470D
