DE8B   Free-Standing Dryer – 8kg

gorenje

Design:
o   Electronic control with LED display
o   Galvanized drum
o   180° door opening angle

Features:
o   Drying load : 8kg
o   Lockable control panel
o   Audio signal SoftSound
o   Anticrease
o   Number of programmes : 16 programmes
o   Programmes : Bedding, Wool, Shirts, Sportswear, AirRefresh, Mix dry,
               Mix iron dry, Baby
o   Cotton : 3 levels
o   Dryness level setting
o   Low temperature option
o   StartDelay
o   Humidity sensor
o   Water container : 4.95L
o   Personal setting for all programmes
o   Dryer modes
o   StableTech sidings
o   Vacuum feet
o   Drying time selection: Step setting
o   Reverse tumble action
o   Digital countdown indicator
o   End of cycle indicator
o   Full tank indicator

A Condensation Efficiency Class

B Energy Class
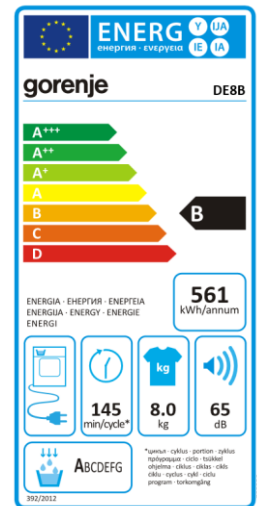

reddot design award
winner 2018

Technical information:
o   EU Energy Class: B
o   Condensation efficiency class A
o   Drum volume : 117L
o   Color: White
o   Door diameter: 35cm
o   Standard cotton programme time at full load / partial load: 145mins / 91mins
o   Connected load: 2,500W
o   Frequency / Voltage : 50Hz / 220-240V
o   Net weight : 39.3 kg

Appliance dimensions:
o   850H x 600W x 625D
